

CADS PRE COURSE

What is a Pre Course?

It is a discussion and demonstration of the standards required for certification, an update of the latest teaching techniques, a show and tell of teaching aids and equipment and an open forum dealing with matters related to teaching the disabled to ski.

Who should attend?

All Level 2 and 3 instructors who will be conducting CADS courses and exams, program supervisors and anyone involved in teaching the disabled to ski.

Who conducts the Pre Course?

The TC Chairman, Level 4 and Level 3 examiners.

Where are the Pre Courses held?

There will be one in the West and one in the East.
